Summary

I am a high school graduate from the Reufort College with a passion for web development. I have completed courses on HTML, CSS, JavaScript, React.js, Python, UI/UX design, and version control through platforms like Coursera and Meta. I am eager to apply my skills and learn from experienced professionals during an internship.

Enthusiastic Student with superior skills in working in both team-based and independent capacities. Bringing strong work ethic and excellent organizational skills to any setting. Excited to bring above average user skills in information technology and social media. Self-directed Work Study Student motivated to apply education and experience in job role. Excellent listener comfortable completing various tasks to keep operations running smoothly. Smart student studying Web Development and looking for related experience. Willing to listen and learn and excited to contribute in real-world environment to help find practical, actionable solutions for current needs. Passionate Intern with recently obtained Front-end Development degree. Energetic individual with outstanding interpersonal, analytical and critical thinking skills. Poised to build valuable experience and ready to contribute to team success with administrative and project management support. Reliable Front-end Development committed high-quality work. Skilled in helping modernize workplaces and maintaining high levels of organization. Resourceful and personable with excellent multitasking abilities. Motivated individual with business acumen and willingness to take on challenging roles. Tech-savvy and quick learning with technical know-how, social media expertise and sales abilities to support and drive substantial growth. Highly-motivated employee with desire to take on new challenges. Strong work ethic, adaptability and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.
